Links to such third party sites are not necessarily to be taken as an endorsement by ECS of the third party site, or any or all of the products promoted, offered or sold on the third party site, nor that such sites are free from computer viruses or anything else that has destructive properties. ECS does not collect personal data from the ECS website and ECS can not and does not take responsibility for the collection or use of personal data from any third party site. In addition, ECS can not and will not accept responsibility for the accuracy of third party advertisements.

### **Performance Driving & Modifications - Disclaimer**

East Coast Supercharging, LLC AKA ECS takes pride in our products, the service we provide and the work we do on your vehicle. ECS provides a reasonable warranty on all its products and work, as described on your invoice. However, ECS shall not be liable for any loss or damage of whatever nature (direct, indirect consequential or other) arising from any "NON-OEM" modifications that are done on any car by ECS or your use of ECS or other manufacturer's parts ECS has sold to you.

ECS believes in encouraging good responsible road driving practices. Performance vehicles can be dangerous and should only be driven by knowledgeable drivers, within their skill levels and under safe conditions. ECS discourages street racing. ECS specifically disclaims any losses or damages that may occur or be suffered by any party resulting from the use of any motor vehicle serviced or supplied by ECS. This applies particularly to any vehicle used in street racing, road racing, drag racing or unsafe driving. We assume you can drive the the car you built or that you ask us to build for you and trust you to bear this in mind when your vehicle leaves our workshop. ECS makes no attempt to evaluate or assess your driving skill level.
